Walk-In Access to Electronic Resources Service, Cardiff University

This document was updated on 18 October 2023

- Our Walk-In Access Service gives members of the public walk-in access to many resources which the University subscribes to, where our licensing agreements allow this type of access.
- The service is only available on campus, from dedicated computer terminals in four library sites: [Bute](#), [Health](#), [Science](#), and [Trevithick](#) (please click on the link to see their location and opening hours).
- This is a read-only service: you will be able to access and read the content we subscribe to. However, you will not be able to save, download or print any of this content.
- For more information, please visit [Walk-in access to electronic resources - Libraries - Cardiff University](#)

Below you will find a list of resources by subject (page 1-7) and in alphabetical order (pgs. 7-15).

Please note that if you click on the live links on the list, you will be taken to the resource's website. There, you can view some content, but not the content we subscribe to. This can only be accessed and read from a dedicated computer terminal on campus.
